REFERENCE

Galatians 5:22

PARAPHRASE

Love looks for another person's good and
makes room for care.

CONTEXT

Galatians names love first in a connected list
of Spirit-shaped qualities, not as a badge a
child earns.

REFLECTION

Keep the scene observable and
fictional. A child may point, color, invent
a story, listen, or pass.

PROMPT

Where do you see room being made for
someone else? You may point, color,
invent a story, or pass.

IMAGE DESCRIPTION

Two children and an older neighbor carry a
box toward a shared shelf.
