PARAPHRASE

Patience gives people and living things time to develop instead of demanding instant results.

CONTEXT

The word belongs to a list of qualities shaped over time and practiced with other people.

REFLECTION

Use the plant as a fictional example. A child can choose a color, listen, draw, or pass.

PROMPT

What could someone do while waiting? Choose a color, draw a fictional idea, listen, or pass.

IMAGE DESCRIPTION

Child waits beside a sprouting plant, watering can, and blank calendar.
