REFERENCE

Psalm 100
PARAPHRASE

Give thanks and praise God with gladness,
while making room for a real range of feelings.
CONTEXT

Scene: A hillside, open wordless songbook,
sun, and music notes create an uncluttered
praise setting. Context: Psalm 100 is a
communal song of thanksgiving and does not
require a person to perform happiness.

REFLECTION

An adult may read the psalm, hum,
point, use AAC, draw, listen, or pass.
Keep praise invitational rather than
demanding a response.

PROMPT

What kind of praise feels possible
today: words, music, drawing, listening,
or quiet?
